As part of your application for membership in Clan Dunbar please complete the following chart. Trace your Dunbar Family History by providing the information for your Dunbar Family member (as much as you know), either your mother's or father's parents, etc. This will then be added to the Clan's genealogy file for reference or research purposes. If you have a family genealogy already prepared, feel free to include a copy of that instead of completing this chart. If you have more than 5 generations of a family history available, please feel free to photocopy this form and modify it for as many generations as you wish.
